

HI BUGGIES!

THINGS ARE MOVING.!

THE TWO DAY PERFORMANCE IN NAPLES AT [HTTPS://QUARTIEREINTELLIGENTE.IT](https://quartiereintelligente.it) WAS A SMASH HIT. TOGETHER WITH VISITORS WE COOKED DELICIOUS SUGO WITH ORGANIC TOMATOES IN THE VERY CITY THAT IS KNOWN FOR THE BEST TOMATO SALSA IN ITALY. WE GOT HEAPS OF ITALIAN BUGGIES (NEW MEMBERS), EXTRA FUNDS AND THE CITY OF NAPOLI GAVE US A PIECE OF LAND ON ITS LANDMARK MOUNTAIN CAPODIMONTE (ASIDE FROM THE VESUVIUS) TO DECLARE IT A NON-HUMAN-ZONE. THE FIRST GOBUGSGO PATCH IN ITALY! YEAH - NAPOLI

RULES. AND WE PRODUCED LOTS OF JARS FILLED WITH THAT SUGO WHICH WILL BE USED FOR THE NEXT GBG PERFORMANCE. THE AUSTRIAN TELEVISION REPORTED ABOUT IT [HTTP://GOBUGSGO.ORG/EN/AKTUELL-NACH-EINS-28-9-2020/](http://gobugsgo.org/en/aktuell-nach-eins-28-9-2020/)

GOBUGSGO HAS BEEN PRESENT AS PART OF THE SHOW BLUE PLANET AT GLASPALAST H2 IN AUGSBURG GERMANY [HTTP://KUNSTSAMMLUNGEN-MUSEEN.AUGSBURG.DE/DER-BLAUE-PLANET-THE-BLUE-PLANET,2276](http://kunsksammlungen-museen.augsburg.de/der-blaue-planet-the-blue-planet,2276) SINCE MAY 2019 AND CAN BE SEEN UNTIL NEXT SPRING. OUR PERFORMANCE THERE HAD TO BE CANCELLED A SECOND TIME FOR COVID REASONS. REGRETTABLE, BUT WE'LL DO IT AS SOON AS WE CAN GO AHEAD. AND HOPEFULLY THE CITY OF AUGSBURG IS GOING TO MATCH NAPOLI IN TERMS OF GENEROSITY. GOBUGSGO!

THE FOLKS FROM EARTH DINNER HAVE TAKEN GOBUGSGO UNDER THEIR WINGS FOR A MONTH. [HTTPS://EN.EARTH-DINNER.ORG](https://en.earth-dinner.org) WHICH DREW EXTRA FUNDS IN OUR TREASURY. THANK YOU!

THANKS TO ALL BUGGIES WHO CAME UP WITH SUGGESTIONS: THE PROBLEMS WITH OUR PATCH IN WEITRA/LOWER AUSTRIA ARE ON THE WAY TO BE SOLVED; LIKEWISE WE HAVE FOUND SOLUTION FOR THE PATCH WE OWN IN BREITENBRUNN/BURGENLAND WHERE WE ARE UP AGAINST HARD HEADED FARMERS WHO ARE NOT VERY FOND OF NO-HUMAN-ZONES.

THE ACQUISITION OF THE PATCH IN MOGERSDORF, IN THE SOUTHERN REGION OF BURGENLAND NEAR THE BORDER TO HUNGARY IS TAKEN INTO ACCOUNT THESE DAYS. SOME 13 ACRES OF LAND – AN OASIS OF GREENS IN THE MIDST OF EXTENSIVE, PESTICIDE DRIVEN AGRICULTURE. A SAFE HAVEN FOR BUGS!

A NEW GOBUGSGO BOARD HAS BEEN ELECTED AND IS MADE UP NOW BY THE ENTOMOLOGIST DOMINIQUE ZIMMERMANN, THE DIPLOMAT DIETRICH HEIM AND EDGAR HONETSCHLÄGER.

PLEASE KEEP ON SUPPORTING THE BUGS. INVITE OTHERS TO BECOME BUGGIES AT [HTTP://GOBUGSGO.ORG/EN/WHAT-CAN-YOU-DO/](http://gobugsgo.org/en/what-can-you-do/) OR DONATE FORMLESS YOURSELF AT
