

BSSSSSSS – HERE WE ARE AGAIN!

GOD KNOWS HOW OFTEN ANNOUNCED – FINALLY AFTER MORE THAN TWO YEARS OF NEGOTIATIONS OUR FIRST NON-HUMAN-ZONE IN ITALY WAS INAUGURATED ON OCTOBER 8, 2022. CRISTINA DI STASIO, DIRECTOR OF THE

QUARTIERE INTELLIGENTE NAPLES, THE CURATORS ADRIANA RISPOLI AND MARIO CODOGNATO, THE NOTARY FABRIZIO PASCUZZI AND THE DIRECTOR OF THE MUSEUM/ PARK CAPODIMONTE SYLVAIN BELLENGER AND THE ARTIST EDGAR HONETSCHLÄGER HAVE BOXED IT IN. IN THE MIDDLE OF THE 320 ACRES WELL TENDED BAROQUE GARDEN – THE NAPOLITANS' FAVOURITE

RECREATIONAL AREA – A PIECE OF NATURE WILL GO WILD = SPACE FOR THE BUGS. SIGNS EXPLAIN WHAT THIS AREA IS ABOUT, A QR CODE REFERS TO OUR WEBSITE. NO DOUBT THAT THIS PROPERTY – UNLIKE OUR PREVIOUS ZONES IN WEITRA, BREITENBRUNN AND WALLENDORF (ALL IN AUSTRIA) – IS A SYMBOLIC UNDERTAKING. IT'S ABOUT RAISING AWARENESS AND ENCOURAGING OTHER INSTITUTIONS IN AND OUTSIDE ITALY TO FOLLOW NAPLES EXAMPLE. THE FLOWERS WHO WILL BE GROWING THERE WILL SURELY SERVE AS A FEAST FOR THE BUGS!

PHOTOS: DANILO DONIZELLI

GOBUGSGO'S TASK IS MORE IMPORTANT THAN EVER. THINK OF LAST SUMMER WHEN EUROPE WAS BURNING WHICH WILL NOT GET ANY BETTER IN THE FORESEEABLE FUTURE. THE MORE SPACE WE LEAVE TO NATURE, THE BETTER. WORRYING ONLY DOESN'T DO ANYTHING – WE ALL NEED TO GET ACTIVE AS ONLY IF ONE IS ACTIVELY INVOLVED IN THE CHANGE ONE FEELS BETTER. TRY IT OUT! ALL BUGGIES WHO HELP – BE IT ENTOMOLOGISTS, BIOLOGISTS, LAWYERS, NOTARIES, FORESTERS, ARTISTS, ART HISTORIANS – ANY PROFESSION IS WELCOME – GIVE THEIR TIME TO PROTECT INSECTS AND THE

ENVIRONMENT PRO BONO. EVEN A QUARTER OF AN HOUR A WEEK IS A GIFT FOR THE INSECTS. HELP GOBUGSGO FOR THE SAKE OF YOURSELF, YOUR CHILDREN AND CHILDREN'S CHILDREN. IF YOU DON'T HAVE TIME THEN PUT SOME MONEY ASIDE FOR THE BUGS BECAUSE WE NEED TO PROTECT MORE NATURE.

ON JUNE 10TH, 2022 WE ORGANIZED A FILM PERFORMANCE ON OUR 16 ACRE GOBUGSGO PROPERTY IN WALLENDORF/SÜDBURGENLAND. WE TORE DOWN A BADLY DILAPIDATED HOUSE TO INDICATE THE NEED FOR UNSEALING LAWS. ONCE AN AREA THAT HAS PREVIOUSLY BEEN DEVELOPED IS ABANDONED NO-ONE IS RESPONSIBLE FOR UN-DEVELOPING IT - IT REMAINS SEALED (ASPHALTET) FOREVER. THE SOIL UNDERNEATH DIES. THAT IS MILLIONS OF ACRES ALL OVER THE GLOBE WHICH THE INSECTS AND NATURE WOULD DESPERATELY NEED. WE CALL ON LEGISLATORS TO ENSURE THAT THOSE PATCHES WILL BECOME MEADOWS AND FORESTS AGAIN. CHECK OUT THE SHORT FILM ENTITLED 'GIVE NATURE A BREAK' AT GOBUGSGO.ORG AND THE MEDIA COVERAGE AT [HTTPS://GOBUGSGO.ORG/CATEGORY/MEDIA-FEEDBACK/](https://gobugsgo.org/category/media-feedback/).
