

DEAR BUGGIES,

WE HAVE A NEW PROPERTY! 32000 M2 IN LANGENLOIS, LOWER AUSTRIA! IT WAS A LONG, ARDUOUS JOURNEY, BUT NOW IT BELONGS TO THE BUGS ALONE AND OUR BIOLOGISTS AND ENTOMOLOGISTS ARE HAPPY, BECAUSE IT IS PRIMARILY A SPARSE PINE FOREST – IDEAL FOR INSECTS. LANGENLOIS IS THE FIFTH PATCH IN THE FIFTH YEAR OF OUR EXISTENCE! WE ARE AS BUSY AS BEES.

PLEASE LISTEN TO THE FOLLOWING SHOW (GERMAN LANGUAGE) ON Ö1 (NATIONAL AUSTRIAN RADIO) BEFORE FRIDAY NOON, IN WHICH RENATA SCHMIDTKUNZ ALSO DISCUSSES GOBUGSGO IN A CONVERSATION WITH EDGAR HONETSCHLÄGER:

[HTTPS://OE1.ORF.AT/PLAYER/20231117/739837/1700233562000](https://oe1.orf.at/player/20231117/739837/1700233562000)

ONE MORE THING, PLEASE HELP US TO HELP NATURE. GIVE YOUR LOVED ONES A BUGGYSHIP FOR CHRISTMAS AT [HTTPS://GOBUGSGO.ORG/DONATION/](https://gobugsgo.org/donation/) – AND YOU WILL RECEIVE AN ART N NATURE PACKAGE FOR THE CHRISTMAS TREE. OR HELP THE INSECTS WITH A DONATION. BELOW YOU WILL FIND AN INSECT MANIFESTO THAT WE HAVE PUBLISHED AS AN A2 POSTER. FOR A CONTRIBUTION OF 20 EURO (MORE IS WELCOME :) WE WILL SNAIL MAIL IT TO YOU.

GO BUGS GO, ERSTE BANK, AT932011184031993800, GIBAATWWXXX
