

ZRRRRRRRRRT!

IT WAS A FULL AND GOOD YEAR FOR GOBUGSGO!

WE HAVE SET UP TWO MORE NON-HUMAN ZONES IN THE WACHAU – AS MENTIONED IN THE LAST BUGSLETTER [HTTPS://GOBUGSGO.ORG/BUGSLETTER/BUGSLETTER-SEPTEMBER-2024/](https://gobugsgo.org/bugsletter/bugsletter-september-2024/) – AND WE HAVE ACHIEVED SOMETHING ESSENTIAL IN TERMS OF THE PERCEPTION OF OUR LITTLE FRIENDS BY SETTING UP THE WALK OF INSECTS IN FRONT OF [BOKU UNIVERSITY VIENNA](#), A PERMANENT INSTALLATION THAT ENCOURAGES THOUSANDS OF STUDENTS, TEACHERS AND VISITORS EVERY DAY TO PROTECT THESE CREATURES.

IF YOU ARE IN VIENNA, TAKE A LOOK AT THE FORECOURT OF THE BUILDING AT PETER-JORDAN-STRASSE 82, 1180 VIENNA. 13 INSECTS ARE CARVED IN GRANITE THERE, ALONG WITH DEMANDS TO SAVE THE BUGS FOR ALL TIME. THE BASIS OF THE ARTWORK IS THE INSECT MANIFESTO THAT THE ENTOMOLOGIST DOMINIQUE ZIMMERMANN AND EDGAR HONETSCHLÄGER DEVELOPED IN CONSULTATION WITH SCIENTISTS FROM THE BOKU VIENNA AND WHICH YOU CAN FIND ON THE SECOND PAGE.

WE WISH YOU A WONDERFUL CHRISTMAS, A HAPPY NEW YEAR – AND STAY TRUE TO THE BUGS! PUT AN [ART N NATURE PACKAGE](https://gobugsgo.org/de/gbg-projekte/orangen-zitronenmarmelade) WITH DELICIOUS ORANGE MARMALADE FROM NAPLES UNDER YOUR FRIENDS CHRISTMAS TREE [HTTPS://GOBUGSGO.ORG/DE/GBG-PROJEKTE/ORANGEN-ZITRONENMARMELADE](https://gobugsgo.org/de/gbg-projekte/orangen-zitronenmarmelade). ORDERS CAN BE PLACED UNTIL DECEMBER 16TH – OTHERWISE THE POST OFFICE WONT BE ABLE TO DELIVER.

FRNNNGHHHHXXXNNNFFF, THE BUGGIES

INSECTS AND HUMANS ARE LACKING THE SAME THINGS

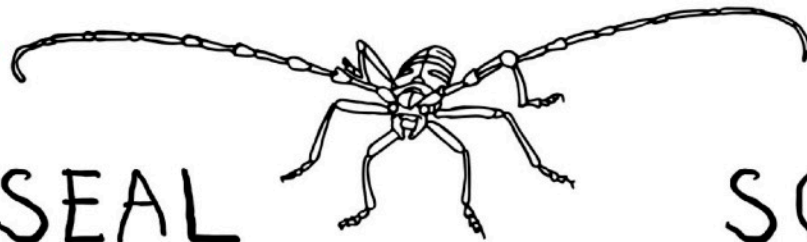

THERE ARE NO HUMANS WITHOUT INSECTS
BUT INSECTS WITHOUT HUMANS

GIVE LEGAL PERSONHOOD STATUS TO ELEMENTS OF NATURE

DIMINISH LIGHT POLLUTION

DARKNESS IS ESSENTIAL

STOP
SEALING
SOILS

REINSTATE
HEALTHY
SOILS

UNSEAL SOILS

COMMIT AGRICULTURE TO SAFEGUARDING BIODIVERSITY

MONOCULTURE?

DIVERSITY SUSTAINS LIFE

INSTITUTE ECO-COST PRICING FOR SUB-
STANCES AND ACTIVITIES HARMING NATURE

ENVIRONMENTAL JUSTICE!

REDUCE CONSUMPTION LESS IS MORE

CARE AND RESPECT FOR ANYTHING THAT IS IN THIS WORLD

SPEND TIME IN NATURE

BRING KIDS ALONG LEARN ABOUT INSECTS

APPRECIATE THEIR EXISTENCE LOVE THEM

NON-HUMAN ZONES ARE
ESSENTIAL FOR SURVIVAL
