

ZSSSSSSNFFFSSSS - ITS SPRING AGAIN...

...AND WE GOT EXCELLENT BUGS NEWS! AFTER MORE THAN A YEAR OF NEGOTIATIONS IN COLLABORATION WITH THE NORDICO MUSEUM, THE CITY OF LINZ -THIRD BIGGEST CITY IN AUSTRIA- IS ENTRUSTING GOBUGSGO WITH A PATCH OF LAND! OUR EIGHTH NON-HUMAN ZONE WILL BE INAUGURATED AT THE OPENING OF EDGAR HONETSCHLÄGERS EXHIBITION \*GIVE NATURE A BREAK\* AT THE NORDICO MUSEUM IN LINZ, APRIL 10TH AT 7PM. [HTTPS://WWW.NORDICO.AT/EN/EXHIBITIONS/EDGAR-HONETSCHLAEGER](https://www.nordico.at/en/exhibitions/edgar-honetschlaeger)

OUR LATEST NON-HUMAN ZONE WILL BE SURVEILLED BY A CAMERA FOR THE VISITORS OF THE MUSEUM TO OBSERVE HOW NATURE ON THE PATCH IS DEVELOPING IN SPRING AND SUMMER - WITH MILLIONS OF BUGS BUZZING AND HUMMING AROUND.

THE SHOW FEATURES THE GOGBUGSGO FOUNDER'S ARTISTIC ENGAGEMENT FOR NATURE SINCE 1989 -WITH A FOCUS ON OUR NPO. IF YOU HAPPEN

TO BE IN AUSTRIA COME TO LINZ AND HAVE A PEEK. IT WILL BE ON UNTIL AUGUST 17TH. NORDICO STADTMUSEUM LINZ SIMON-WIESENTHAL-PLATZ 1, 4020 LINZ

LINZ IS THE FIRST AUSTRIAN CITY TO OFFICIALLY SUPPORT GOBUGSGO AND BY DOING SO SHEDDING LIGHT ON THE ISSUE OF PROTECTING INSECTS. NAPLES WAS THE FIRST TOWN IN ITALY WHERE GOBUGSGO WAS ABLE TO SET UP A NON-HUMAN ZONE IN COLLABORATION WITH THE QUARTIERE INTELLIGENTE AND THE MUSEO DI CAPODIMONTE IN 2022. THE ZONES IN CITIES RAISE AWARENESS FOR THE BUGS AND WILL BE ESSENTIAL FOR OUR SURVIVAL. [HTTPS://GOBUGSGO.ORG/CATEGORY/NON-HUMAN-ZONES/](https://gobugsgo.org/category/non-human-zones/) WE HOPE THAT THESE NON-HUMAN ZONES WILL TRIGGER OTHER TOWNS AND CULTURAL INSTITUTIONS TO FOLLOW SUIT. BUT MOST OF ALL THE BUGS NEED YOUR SUPPORT @ [HTTPS://GOBUGSGO.ORG/DONATION/](https://gobugsgo.org/donation/) WITH A BUZZING TSFFFFF, THE BUGGIES

**Give Nature  
a Break**
