

TTSSSSRRRRRT!

WE HOPE YOU ARE ALL IN A SPRING MOOD ALREADY!

IN NOVEMBER WE HELD A MEETING AND DECIDED THAT THIS YEAR, AFTER CAREFUL LEGAL REVIEW, WE WANT TO BUY A PATCH OF LAND IN ITALY FOR THE BUGS, SINCE GOBUGSGO HAS MANY ITALIAN BUGGIES.

OUR TAX ADVISORS WORKED ON ADAPTING OUR STATUTES - WITH REGARD TO THE TAX DEDUCTIBILITY OF DONATIONS TO GOBUGSGO. WE HOPE THIS WILL HELP BOTH US AND THE BUGS.

THIS YEAR, HOWEVER, WE WOULD LOVE TO ESTABLISH ANOTHER NON-HUMAN ZONE FOR THE BUGS IN AUSTRIA. AS SOON AS THINGS BECOME CONCRETE, YOU'LL HEAR FROM US.

THE ENTOMOLOGIST DR. DOMINIQUE ZIMMERMANN, WHO IS A MEMBER THE GBG BOARD AND PLAYS A MAJOR ROLE IN SHAPING OUR DIRECTION, WILL PRESENT HER NEW BOOK "50 VIENNESE INSECTS" AT THE WIEN MUSEUM ON FEBRUARY 17 AT 6:30 P.M.

COME JOIN, BECAUSE SPRING ISN'T FAR OFF ANYMORE AND THEN YOU'LL KNOW WHATS BUZZING AND HUMMING AROUND YOU. THAT GOES FOR THOSE WHO DONT LIVE IN VIENNA TOO :)

WITH A CHEERFUL FSSSSPPPPP
